

**Glass Food and Beverage Jars and Bottles**

- Remove caps and lids and discard & Rinse

# Village of Misenheimer, Town of New London & Richfield Recycle Pickup Schedule 2017

**To: All residents of the Village of Misenheimer, Town of New London & Town of Richfield**

Waste Management of Carolinas (WM) appreciates the opportunity to provide you curbside recycling collection in your communities. Each residence received 1 Brown 96 gallon roll out cart to use to place all of your recyclable material in, and your collection will be provided every 2 weeks.

Your carts are the property of your Municipalities and are not the property of Waste Management. You will need to contact your Village or Town Hall if there are any issues with your cart that are unrelated to our collection. Washing your recyclables will prevent a build-up in your cart.

### COLLECTION

Please have your cart placed at the curb on Thursday morning by 6:00 am, and allow a minimum of 3 feet of spacing from mailboxes and your trash receptacles. **The handles of your cart should face your house and not the street.**

### HOLIDAYS

During weeks where an observed holiday falls before or on your scheduled collection day, we will collect your recyclables the day following your scheduled service day. In cases of inclement weather, we will provide service as soon as it is safe to do so.

### ACCEPTABLE ITEMS:

**Flattened Corrugated Cardboard, Junk Mail & Office Paper (No Pizza boxes)**

**Chipboard**

- Cereal boxes, paper towel rolls, facial tissue boxes, etc. (usually brown or gray inside without a waxy finish).
- Remove all foil or plastic liners
